Follow the usual UNO game rules

Ability to see the number of cards other players have

Technologies

Required technologies

Render, [Node.js](#), [Express.js](#), PostgreSQL

Optional:

None expected so far

Wireframes

Signed-out Landing Page

The wireframe illustrates a signed-out landing page layout. At the top left is a logo icon containing a stylized mountain or wave graphic. To its right is a large, bold title "Home". On the far right is a rounded rectangular button labeled "Register/Sign in". Below the title is a vertical sidebar containing a list of nine horizontal bars of varying lengths, each with a diagonal hatching pattern. An arrow points from the text "Rules of the game" and "What people can do with an account" to the second bar from the top in the sidebar.
